ESTABLISHED, 1859.

Buy in the Beautiful Gray Tract

One of the best subdivisions in San Mateo County. No adobe; the finest of soil—loam and gravel—beautiful oak trees, and situated on the Woodside road. This road is soon to be made into a beautiful boulevard. NOW is the time to buy. Only a few blocks from the new electric line. Don't let all outsiders come here and buy up the best. These lots are all 50x100 feet; no 25-foot frontage here. I want you to call at the office and I will show you what these lots are, and I would like to see our own people get in on the ground floor—not all strangers. About forty of these lots have been placed on the market for \$250 each; 10 per cent cash, remaining payments to suit purchaser. Call and talk the matter over with

YOU'LL NOT NEED AN AX to carve the turkey you buy at this market. Our Thanksgiving turkeys are real birds. Young, tender, sweet flavored. If you want one of a certain weight better order it now. GOOD THINGS,

and there's lots of 'em, there is none more satisfying than an insurance policy. It means a contented mind, where "good digestion waits on appetite," and that's a big thing to have—better than riches, they say. Don't let Thanksgiving go by without you tie to some good insurance, and if you will let us attend to the details you will never have cause to regret it. What the Kidneys Do

Their Unceasing Work Keeps Us Healthy and Strong

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys. W. J. McHarvey, living at 35 Claremont st., Redwood City, Cal., says: "I have known and have been an appreciator of Doan's Kidney Pills for a long time, and am in a position to say that they act up to every claim made for them. I am perfectly willing to have my name used as an endorser of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's, and take no other.

Drama at Santa Clara College

One of the greatest entertainments ever presented at Santa Clara College will be given on Thanksgiving Eve, November 27, at which time will be produced, with elaborate costuming and scenic effect the new and original comedy drama, entitled "Santiago", written especially for the event by Charles D. South A. M. The story depicts one of the most thrilling and inspiring incidents of the Spanish-American war. The plot revolves upon which the plot revolves is the famous newspaper "scoop", and the leading characters of the play are newspaper men, while army and navy officers, Cuban refugees and representatives of several foreign governments figure conspicuously in the cast.

The principal scene of the drama is laid in the vicinity of Moro Castle, near Santiago bay, and the opening act concludes with the victory of Commodore Schley's American fleet over Cervera's armada. The California built warship, Oregon, plays an effective part in the battle scene which is exceedingly realistic. The description of the tragic events of the famous sea-fight is relayed by an abundance of wholesome comedy, in which an Irish rough-rider, a Dutch military observer, an aristocratic English agent and a stranded actor of the "crushed tragedian" type furnish capital amusement in a series of uproariously funny situations. The drama will be produced by the Senior Dramatic Club for the equal benefit of Father Gagliardi's church at Cupertino and the literary congress.

In addition to the drama, an operetta, "The bogus Schoolmaster", will be introduced in which will be several clever vaudeville specialties.

In order to give the residents of the valley towns an opportunity of witnessing this splendid performance by the student actors of Santa Clara College, a special train will be run at reduced rates.
